MAP POLICY AND TRADEMARK GUIDELINES

UNILATERAL MINIMUM ADVERTISING PRICE POLICY FOR VICTORINOX SWISS ARMY, INC.

At Victorinox Swiss Army, Inc. we have a passion for our products, an appreciation of our heritage and a genuine belief in the functionality. We recognize success is dependent upon the success of our retailers, and we appreciate that our retailers invest significant resources into delivering an impressive customer experience. In order to protect their ability to continue to do so, as well as protect the integrity of our brand, Victorinox Swiss Army, Inc. has unilaterally a Minimum Advertised Price Policy ("MAP Policy"). This Policy will help ensure that price based advertising is discouraged, and our products are approved through radio, TV, print, or online.

All retailers must be authorized by Victorinox to sell its products in any location, including brick and mortar and on the Internet. Retailers are expected to follow the conditions of the MAP Policy in order to avoid potential consequences of non-compliance.

- MAP Products may not be advertised at a price less than Victorinox suggested minimum advertised price, hereafter called the "Minimum Advertised Price" ("MAP"). Retailers are responsible for staying current with this MAP Policy and MAP Products.
- For purposes of this Policy, an "advertisement" includes all electronic media, including, but not limited to, all website pages and banners, platform websites (e.g. Amazon, eBay), social media (e.g. Facebook, Instagram, Twitter), emails, and blogs.
- Advertising in any way suggests or implies a price lower than the MAP, will be considered a violation of this Policy. For example, Policy violations will include the following examples:
 - a) Instant discount (includes % or dollar off)
 - b) Gift with purchase if the MAP Product or ancillary product is considered the free gift or at a reduced price
 - c) Indication that a lower price may be found at the checkout stage
 - d) Bundling a MAP Product with a Non MAP Product without prior approval on advertised price from Victorinox
- The following situations are not considered to be a violation of the MAP Policy: free shipping, sales tax rebate
- This Policy applies only to Retailer's advertised prices, not selling prices.
- Victorinox may monitor advertised prices for its MAP Products and compliance with this MAP Policy.
- Interpretation and application of this Policy shall at all times be in the sole and absolute discretion of Victorinox. In the event a Retailer fails to comply with this Policy, Victorinox or our Brand Protection Partner (3rd party) will issue a MAP Violation Notice to the Retailer. However, Victorinox reserves the right to take action against a Retailer without providing any such notice.
- The failure of Victorinox to apply consequences to a Retailer for violation of this Policy shall not constitute a waiver by Victorinox of its right to take action against a Retailer at any time in the future for any violation of this Policy. No Retailer or other third party shall have the right to force Victorinox to enforce this Policy on any other person or entity, including any other Retailer.
- Victorinox does not solicit evidence, but will accept information from Retailers, provided such information is addressed to the MAP Administrator at brandmap.us@victorinox.com. However, Victorinox will not share with any Retailer information about its decisions relating to any other retailers. Notwithstanding, this Policy constitutes an agreement between Victorinox and any Retailer that such Retailer will comply with this Policy.
- No employee or sales representative of Victorinox has any authority to modify this Policy or discuss any actual or alleged violation of this Policy by a Retailer. Any questions about this Policy should be in writing and directed to the Victorinox MAP Administrator at brandmap.us@victorinox.com.
- This MAP Policy may be updated, revised or modified at any time.
